About MedStudies

We at “MedStudies” (an ISO 9001:2015 ISO/ IEC 17024: 2012) certified organization) established in 2016. We have been recruiting Medical Aspirants from around the globe for half a decade. Enrolling medical aspirants in prestigious universities in Central Asia and eastern Europe has been our prime focus. Among our latest ventures, we had started on with universities in Russia, Armenia, Belize, Kyrgyzstan, Kazakhstan, Central America & Carribean Islands, Nepal, Georgia and many more. We are operating as Student recruiters having signed contracts with Russia, Armenia and Belize. For last quarter we recruited more than 500 students from India for universities in Russia, Armenia, Belize, Kyrgyzstan, Kazakhstan, Micronecia, Georgia.

Rudram Foundation

UDYAM-WB-07-0030035

We are a government registered organisation which makes our certificate valid all across India.

We organise activities like first aid and health awareness camps especially areas belonging to the north eastern region of west bengal and other remote areas of Hooghly and Burdwan districts.

We also provide first aid services in large public congregations.

We train almost 100 to 150 nursing assistants every year and aim to serve the health care landscape of the country by contributing workforce in healthcare sector

Mission

To create job opportunity For the deserving youth by providing suitable training in paramedical sector and related health care expertise at large scale in coming five years with a view to provide then employment in government and private hospital, nursing homes and similar other organization. We look forward to extend our efforts and assistance to the mediocre income group families having dreams to be established.

Vision

To promote our organization and establishment all of our associates as the most trusted group of training providers in health care sector with a view to serve the people of our society for a meaningful life and better living.
